

# Medicinal Cannabis Control Commission

## Frequently Asked Questions for Medicinal and Adult-Use Cannabis

Q: What Cannabis businesses are licensed to manufacture and distribute medicinal and adult-use cannabis on the White Earth Reservation?

A: Waabigwan Mashkiki, LLC

A: Their dispensary is called Waabigwan Mashkiki and sells both medicinal and adult-use cannabis products.

Q: What Cannabis businesses are authorized in the State of Minnesota to manufacture and distribute medicinal cannabis?

A: Green Goods (the product label will say Vireo Minnesota; their Medical Cannabis Dispensaries are called Green Goods)

A: Leafline Labs (their dispensaries are called RISE)

Q: How can medicinal cannabis be identified and possessed legally?

A: The best way is by checking the required packaging and labeling on the medicine's container. Anyone legally allowed to purchase and possess medicinal cannabis will have their name, address, and patient registry number, printed on the label. If a medicinal cannabis patient has a caregiver, the caregiver's information is also found on the product label.

A: The patient/and or caregiver will have a medical card that can be matched to the labeled medicinal cannabis products.

***Patients and consumers are encouraged to keep cannabis products in their containers.***

- ✓ These containers are child-proof and are important for child safety to keep products in their container.

**Driving under the influence of cannabis products is no different from driving under the influence of alcohol.**

- ✓ Both are illegal.
- ✓ The White Earth Police Department on this update, please see their public statement posted here.
